NOTICE OF PUBLIC HEARING TO IMPOSE AND PROVIDE FOR COLLECTION OF NON-AD VALOREM SPECIAL ASSESSMENTS TO FUND FIRE PROTECTION SERVICES

The Parrish Fire District (the "District") imposes annual special assessments to fund the cost of providing fire protection services each year. The District does not impose an ad valorem tax and therefore relies almost entirely on the special assessments to fund its annual budget and service delivery mission. The Board of Commissioners of the District (the "Board") is currently in the process of adopting the fire assessment rates for the fiscal year commencing October 1, 2021 ("Fiscal Year 2021-2022").

Notice is hereby given that the Board will conduct a public hearing to consider adoption of a resolution establishing the rate of assessment for fire protection services in Fiscal Year 2021-22. The resolution will provide for imposition of the special assessments against certain real property located within the District and collection of the assessments on the annual property tax bill mailed by the property tax collection department of Manatee County each November, including November 2021. The fire assessments are annual assessments that will continue from year to year. The public hearing will be held at 6:30 p.m. on August 24, 2021, in the Board Chambers, 12132 US 301 North, Parrish, FL 34219 for the purpose of receiving public comment on the proposed assessments. All affected property owners have a right to appear at the hearing and be heard with respect to the proposed assessments and to file written objections with the Board within twenty (20) days of this notice.

If you decide to appeal any decision made by the Board with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, persons needing special accommodation or an interpreter to participate in this proceeding should contact the District's administration offices at (941)-721-2093, at least three days prior to the date of the hearing.

Re: Notice to property owners regarding public hearing on the annual special

assessments imposed by

the Parrish Fire District

The Parrish Fire District (the "District") imposes annual special assessments to fund the cost of providing fire protection services each year. The District does not impose an ad valorem tax and therefore relies almost entirely on the special assessments to fund its annual budget and service delivery mission. The Board of Commissioners of the District (the "Board") is currently in the process of adopting the fire assessment rates for the fiscal year commencing October 1, 2021 ("Fiscal Year 2021-2022").

Section 191.009, Florida Statutes, authorizes the District to increase the rate of its annual special assessments by the average growth in personal income over the prior five-year period, to address inflationary increases in the cost of providing fire services. Based on the average personal income growth index, the District's assessments typically increase by 2-3% each year. That same statute provides that any annual increases in excess of the average personal income growth require referendum approval.

In order to meet anticipated funding needs which are expected to exceed the personal income growth index, including the hiring of firefighters and operational costs for future station 2, the District adopted Resolution No. 2020-05 on July 28, 2020, which scheduled a referendum to be held in conjunction with the general election on November 3, 2020, seeking approval for assessment rate increases above the average personal income growth, as required by Section 191.009, Florida Statutes. District voters approved the referendum on assessment rate increases, with the increases taking effect beginning with the District's budget for Fiscal Year 2021-2022.

The Board will conduct a public hearing to be held at 6:30pm August 24, 2021], in the Board Chambers, 12132 US 301 North, Parrish, Florida 34219 for the purpose of

receiving public comment on the proposed assessments for Fiscal Year 2021-2022. You and all other affected property owners have a right to appear at the hearing and to file written objections with the Board within 20 days of this notice. If you decide to appeal any decision made by the Board with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, persons needing special accommodation or an interpreter to participate in this proceeding should contact the District's administration offices at (941)-721-2093, at least three days prior to the date of the hearing.

The following describes the assessment proposed for the above-referenced tax parcel for Fiscal Year 2021-2022:

Category Type: Residential / acreage

Number of Billing Units: 3 houses (\$276.82 per house) plus 1.82 acres (\$4.99 per acre) (rounded to the next whole number of acres)

Maximum fire assessment for the above parcel for Fiscal Year 2021-2022: \$840.44

The total amount of fire assessment revenue to be collected by the District for Fiscal Year 2021-2022 is estimated to be \$2,832,187.11.

In fiscal years after Fiscal Year 2021-2022, any further assessment rate increases would be controlled by section 191.009(2), Florida Statutes, pursuant to which annual increases are limited to the personal income index unless the District obtains referendum approval for the increase.

Copies of the District resolutions related to the fire assessment and the proposed assessment roll for Fiscal Year 2021-2022 are available for inspection at the District's administration offices, 12132 US 301 North, Parrish, Florida 34219, phone (941) 721-2093.

The fire assessment amount shown on this notice will be collected on the ad valorem tax bill mailed in November of each year by the Manatee County Tax Collector, with the assessment described above appearing on your November 2021 tax bill. The fire assessment is an annual charge which will continue from year to year. Florida law provides that failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title.

If there is a mistake on this notice, it will be corrected. If you have any questions regarding your fire assessment, please contact the District's administration offices at (941) 721-2093, Monday through Friday between 9:00 a.m. and 5:00 p.m.
